This grading information will be applicable to each outline and each "Profile of Terrorist Event." **Each line on the templates must be completed, and will be worth 1 point per line.** If you are unable to answer a line on the template you will need to explain why and how you attempted to research and find information to complete the line.

**A minimum of four (4) sources must be cited in the proper format as the instructions indicate.** There are many online tools available to assist you in citing sources in the proper format. DMACC also has resources available to assist you, and your instructor can help you also. Communication is the key. If you are having problems please let your instructor know as early as possible. **If a bibliography is not included the outline will not be graded!**
